

Clark County Fair

2025

Special Drive

What:

The Clark County Fair Special Drive is a pig show designed to set up a mentor/mentee partnership with current exhibitors and individuals with special needs (ages 8-21).

They will work together as a team to show their pig and have the experience of a lifetime. For participants, they will be able to learn how to show and experience a show. For exhibitors, they will have the chance to be a mentor and share their love of showing with others.

When:

Saturday
August 9th
6:00 p.m. meeting
7:00 p.m. show

Where:

Allen Jr. & Marilyn Krause Family
Livestock Building
(Clark County Fairgrounds)

Participants:

We are hoping to have registration materials to hand out at schools within the next month or so, as long as that is okay with school staff.

Mentors:

Information regarding the application process for mentors will be sent out to 4H clubs/FFA chapters in early April.

Cost:

The cost for participants will be completely free thanks to the generosity of our community!

Limit:

With this being our first year, we have made the decision to cap our show at 15 participants. This will be on a first come, first served basis.
