To vote for a person whose name does not appear on the ballot, the voter shall write in the name of the person of their choice in the space provided for a write-in vote and fill in the oval next to the write-in line. On referendum questions, the voter shall fill in the oval next to “yes” if in favor of the question, or the voter shall fill in the oval next to “no” if opposed to the question.

When using an “Express Vote” to mark an **optical scan** ballot, the voter shall touch the screen or use the tactile pad to select the name of the candidate of their choice for each office for which they intend to vote. To vote for a person whose name does not appear on the ballot, the voter shall touch the screen next to “write-in” and type in the name of the person of their choice. If the ballot has not been initialed by two inspectors or is defective in any other way, the voter shall return it to the election official who shall issue a proper ballot in its place.

After Voting the Ballot

After an official **optical scan** ballot is marked, it may be inserted in a security sleeve so the marks do not show. The voter shall then insert the ballot in the voting device or deliver the ballot to an inspector for deposit. The voter shall leave the polling place promptly.

To create section 27 of article I of the constitution; **relating to:** prohibiting governmental entity discrimination.

Whereas, the 2023 legislature in regular session considered a proposed amendment to the constitution in 2023 Assembly Joint Resolution 109, which became 2023 Enrolled Joint Resolution 15, and agreed to it by a majority of the members elected to each of the two houses, which proposed amendment reads as follows:

- (2) A governmental entity may not discriminate against, or grant preferential treatment to, any individual or group on the basis of race, sex, color, ethnicity, or national origin in public employment, public education, public contracting, or public administration.
- (3) This section does not prohibit action that must be taken to establish or maintain eligibility for any federal program, if ineligibility would result in a loss of federal funds to the governmental entity.
- (4) Nothing in this section prohibits bona fide qualifications based on sex that are reasonably necessary to the normal operation of public employment, public education, public contracting, or public administration.
- (5) If any part or parts of this section are found to be in conflict with the United States Constitution or federal law, the section shall be implemented to the maximum extent that the United States Constitution and federal law permit. Any provision of this section held invalid shall be severable from the remaining portions of this section.

QUESTION 3: “Government entity discrimination prohibited. *Shall section 27 of article I of the constitution be created to prohibit governmental entities in the state from discriminating against, or granting preferential treatment to, any individual or group on the basis of race, sex, color, ethnicity, or national origin in public employment, public education, public contracting, or public administration?”*

EXPLANATORY STATEMENTS AS TO THE QUESTIONS

Explanatory statement regarding Question 1:

Under current law, the Governor may partially veto language in a spending bill passed by the Legislature. The veto may result in either more or fewer taxes or fees being imposed and may also result in local government entities being authorized to increase or decrease local taxes or fees.

The proposed amendment would add a new clause to Article V, section 10(1)(c) of the Wisconsin Constitution, providing that the Governor’s veto “may not create or increase or authorize the creation or increase of any tax or fee.” This language would not only prevent a veto from increasing any state taxes or fees, but also prevent a veto from allowing local governments, such as school districts, to increase their own taxes or fees.

A “yes” vote on Question 1 would vote to amend Wis. Const. art. V, § 10(1)(c) to prohibit the Governor from partially vetoing a spending bill in a way that would create or increase or authorize the creation or increase of any tax or fee.

A “no” vote on Question 1 would vote not to amend Wis. Const. art. V § 10(1)(c) of the Wisconsin Constitution.

Explanatory statement regarding Question 2:

Under current law, Article I, section 18 of the Wisconsin Constitution, like the First Amendment of the U.S. Constitution, protects religious rights. In a declared state of emergency, officials may limit public gatherings, including religious gatherings, so long as religious and secular gatherings are treated equivalently.

The proposed amendment would add a new clause to the end of Article I, section 18, prohibiting the state and local governments from ordering the closure or forbidding gatherings “in places of worship” when there is a state of emergency. That language would prevent officials from forbidding gatherings in places of worship even when other types of public gatherings have been closed.

A “yes” vote on Question 2 would vote to amend Wis. Const. art. I, § 18. The amendment would prohibit the state and local governments from closing or prohibiting gatherings in places of worship during a state of emergency..

A “no” vote on Question 2 would vote not to amend Wis. Const. art. I, § 18 of the Wisconsin Constitution.

Explanatory statement regarding Question 3:

Under current law, both under Article I, section 1 of the Wisconsin Constitution and the Equal Protection Clause of the Fourteenth Amendment to the U.S. Constitution, states and local governments may not discriminate based on race, ethnicity, color, national origin, or sex except under specific circumstances. For race, color, ethnicity, or national origin, discrimination in favor of or against a group is permissible only if the government has a compelling interest and a narrowly tailored remedy. For sex, discrimination is permissible if it serves an important government interest and is substantially related to that interest. Current law also makes distinctions depending on whether discrimination is overt and intentional, or merely a disparate impact of a neutral policy.

The proposed amendment would create a new provision, Article I, section 27, which would prohibit state and local governmental entities from discriminating or granting preferential treatment based on race, sex, color, ethnicity, or national origin in public employment, public education, public contracting, or public administration.

This language appears to impose stricter standards against discrimination than the standards under current state and federal law.

The amendment contains three exceptions. It does not apply if it would cause the governmental entity (1) to lose eligibility for a federal program or (2) to violate federal law. And the amendment’s prohibition on treating people differently based on sex does not apply to measures that are “reasonably necessary” to the “normal operation” of public employment, education, contracting, or administration.

A “yes” vote on Question 3 would vote to create a new provision of the Wisconsin Constitution—Wis. Const. art. I, § 18, which would prohibit any governmental entity from discriminating or granting preferential treatment based on race, sex, color, ethnicity, or national origin in public employment, public education, public contracting, or public administration.

A “no” vote on Question 3 would vote not to add Wis. Const. art. I § 18 to the Wisconsin Constitution.

DONE in the County of Clark, this 28th day of October, 2026.
