Expect poor, early season riding conditions. Use extreme caution when riding. There are areas with icy patches, thin base, very rough agricultural fields. Grooming operations will be taking place. Riders must yield to all groomers. Remember that riding on closed trails is trespassing. Please stay on the trail and respect the private landowners that allow snowmobiling on their property.

## **LOGGING ACTIVITY**

Please use caution while riding trails in the Clark County Forest. There are several areas where logging operations are taking place. Trucks will be hauling on forest roads and snowmobile trails. Some snowmobile trails are plowed. Please slow down, yield to logging equipment and use caution.

Please reference the Clark County snowmobile map for further clarification on exact club locations. Follow the color coded trails for each club as well as intersection numbers.
