Clark County Forestry & Parks

Telephone 715-743-5140

Effective Friday, December 15, 2023, all Snowmobile and ATV trails, including those located on Clark County public lands will remain closed until we reach favorable winter riding conditions. We will continue to monitor temperatures and conditions and will update as they change.

Please note that UTV's are NOT allowed on any Clark County winter ATV trails, this includes public and private land trails (November 1- May 14).

Knobby Ridge Motorcycle trails will open for the winter on Friday December 15th.

Clark County trails are subject to periodic closure; for updates on recent closures and/or openings please contact the Forestry and Parks Department at 715-743-5140, or visit the county website at www.clarkcountywi.gov for more information on our trail system.

Bruce Mound Winter Sports Area will NOT open December 16, 2023 as scheduled. The new tentative opening day will be Friday December 22, 2023, 5pm-10pm if conditions allow. We will be open on Saturday Dec 23, 10am-4pm but only if conditions are favorable. Although we are making snow, current forecast temperatures are not in favor for opening the winter recreation area at this time. Please visit the Bruce Mound Winter Sports Area website at clarkcountywi.gov/brucemound for more information.
