 **Family Health Center**
of Marshfield, Inc.

This project is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) under grant number H80CS00792/Health Center Cluster for \$5,694,186 (94.7% financed with nongovernmental sources). This information or content and conclusions are those of the author and should not be construed as the official position or policy of, nor should any endorsements be inferred by HRSA, HHS or the U.S. Government.

Family Health Center of Marshfield, Inc. is an equal opportunity provider and employer.

We want you to get the best dental care possible. If you have difficulty paying for your out-of-pocket dental expenses, Family Health Center of Marshfield's dental financial assistance program may be able to help.

The dental financial assistance program available through FHC, reduces the cost of services depending on your income and household size. This is called a sliding-fee discount. The lower your income, the greater your discount.

This dental financial assistance program is available for services provided at FHC Dental Locations and covers Medicaid-approved services.

Examples of covered services include:

- Exams
- Child cleanings and fluoride
- Sealants
- Adult cleanings
- Fillings
- Prefabricated stainless steel crowns
- Extractions
- Dentures

If you have private or public dental insurance with limited coverage, you may qualify for financial assistance to help with out of pocket expenses on qualified services.

For more information, or to apply for dental financial assistance, please talk to a staff member at the dental center or call your closest FHC dental center.

Queremos que usted tenga el mejor cuidado dental posible. Si usted tiene dificultad para pagar de su bolsillo sus gastos dentales, el programa de Ayuda Financiera Dental de Family Health Center of Marshfield le puede ayudar.

El programa de ayuda financiera dental disponible a través de FHC reduce el costo de los servicios según sus ingresos y el número de miembros de su familia. Este programa se llama descuento de tarifa ajustable (sliding-fee discount). Mientras más bajo es el ingreso mayor el descuento.

Este programa de ayuda financiera está disponible para servicios proporcionados en los centros dentales de FHC y los servicios dentales aprobados por Medicaid.

Ejemplos de servicios cubiertos incluyen:

- Exámenes
- Limpieza y fluoruro para niños
- Selladores
- Limpieza para adultos
- Empastes
- Coronas prefabricadas de acero inoxidable
- Extracciones
- Dentaduras postizas

Si usted tiene seguro dental público o privado con cobertura limitada, quizás usted pueda calificar para una asistencia financiera que ayude con los gastos que pagaría de su bolsillo para servicios que califiquen.

Para mayor información, o para aplicar para la asistencia financiera dental, por favor hable con uno de los miembros del personal del centro dental o llame a su centro dental FHC más cercano.
